Wagon Men and Blacksmiths
All Take Their Old
Places.

SOME MILL MEN BACK.

Labor Troubles Have Been
Adjusted By the Forbes
Mfg. Co.

The labor troubles at the Forbes Manufacturing Company's plant are adjusted in all but the painters' and carpenters' departments.

Yesterday all of the men in the wagon factory returned to work except Geo. W. Thacker, who has gone into the grocery business. His place was filled by W. E. Mitchell, making the force complete. All of the blacksmiths also went back except two who are out of town. As some new men are on, the force here is now as full as is needed.

Three or four planing mill men have returned and several new men added since May 1st.

Most of the men who returned went out on sympathy. The strikers were in the carpenters' union. The big plant is now running in all departments and everybody seems glad that the trouble is over.

BASE BALL.

Two Games to Be Played at
Mercer Park Next Week.

Frank Bassett is going to play the roll of public benefactor this summer. The base ball fever attacked him in the spring and he hasn't yet gotten over it. He was in town Thursday and said he is going to furnish admirers of the national game occasionally during the season good ball. The first two games will be played at Mercer Park next week when Eliton's team will come down. Bowling Green is said to have a good team this year, and Mr. Bassett hopes to have them here. We understand that Mr. Bassett has arranged for the Y. M. C. A. club of Nashville to play two games here on the 4th of July.

Yesterday Mr. Bassett, in company with Stonewall Morris, Harry Morgan, Clint Elliott, James Winfree, James Campbell and others went down to Princeton to play a game with a team of that place.

Mr. Bassett has not yet given out the personnel of his nine, but says he will have good material and they will prove worthy of the patronage of all who are fond of the game. Mercer Park is so close to the center of town that many will go there who would not think of going to places farther out of town.

Will Try Oil.

Councilman Twyman interviewed the business men on Main Street between 9th and 10th, yesterday, and each one agreed to bear his share of the expense of sprinkling the street with crude oil. The oil was ordered yesterday afternoon and as soon as it arrives the test will be made. Should it prove what is expected its use may become general here.

Miss Fierstein's Big Gain.

Miss Hattie Fierstein, of this city, made the biggest gain of any candidate so far in the Courier-Journal's European contest, winning a \$100 prize. She added 151,000 votes during last week. She now has 229,491 to 250,163 for Miss Miller, of Elkhorn. It will be a pretty finish between them until July 2.

Work Completed.

The City Board of Tax Supervisor adjourned yesterday until June 18, and sent out notices of tax raises, which will come up for adjustment at that time. Col. J. O. Cooper is

\$60,000 LICKED UP BY FIRE THURSDAY.

Bad Blaze On L. & N. Railroad and the Loss is Very Heavy.

THREE SQUARES WENT.

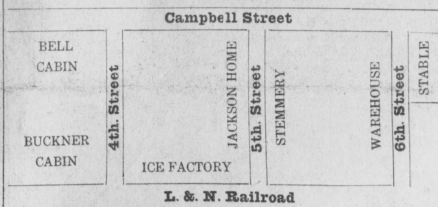

Wheeler Warehouse and Consumers' Ice Plant Heaviest Losses.

A fire that started in the tobacco stemmy of W. B. Kennedy, on Campbell street, early Thursday morning, soon spread to adjoining buildings in spite of prompt work by the Fire Department and in one hour three squares had been swept by the flames.

The fire was first seen in the upper story of the building. It probably caught in the steaming room. The stemmy was a brick and iron structure and adjoining it on the Sixth street side was an iron warehouse used by Abernathy & Co. as a prize house for the Farmers' Association.

The wind was from the South.

THE BURNT DISTRICT.

The combustible warehouses were soon in flames and the fire leaped across Sixth street and burned Geo. D. Dalton's frame stable, on the rear of his Seventh street residence lot. His garden also looked like a prairie fire had passed over it, and the garden fence was burned.

To the North the fire spread rapidly, licking up the Welch home, an old brick residence owned by L. H. O'Brien, of Earlington, and occupied by J. C. Jackson. The rest of this square was occupied by the plant of the Consumers' Ice & Coal Co., and this was a total loss. It was recently consolidated with the Ellis Ice Co. and was in full operation, supplying ice while new machinery was being installed at the old factory. The plant involved at \$31,000, including lot, teams and vehicles and a large lot of ice since used up. These were worth probably \$10,000 and are of course not to be included in the loss.

Across Fifth street were the two-story dwelling houses of Wes Buckner and Jennie Bell, old and dilapidated houses filled with colored families. These fronted on Fourth street and the gardens ran back to Third, across which street was located the gas plant. Once in this plant and the fire would be beyond control. The Buckner and Bell residences both caught and were badly damaged by fire and water, but the frames were saved and the fire stopped here.

While the ice factory was burning the ammonia tank blew up with a loud report, but it did no damage except to add to the fierceness of the flames.

A lot of coal oil stored in one of the warehouses and owned by W. T. Cooper & Co., also burned, and the burning oil ran down the railroad right-of-way and set fire to the fence enclosing the coal yard between Sixth and Seventh streets. A barrel of salt was secured from the L. & N. depot and used to put out the

fire was under control on all sides and the danger of a general conflagration averted.

The location was outside the fire limits and none of the buildings fire proof. It was a veritable fire trap and it was clearly seen that the wooden buildings were doomed.

The Losses.

In the Abernathy & Co. warehouse there were about 173 hogsheads of Association tobacco. About 10 or 20 hogsheads were rolled out and saved. Some of that inside the building was not entirely destroyed, as the iron walls did not make a smoldering fire and were soon cooled off after they fell.

In the Kennedy stemmy, the tobacco was loose and was a total loss. The ice plant was all burned. The storage room in one corner with its thick walls was all that was left.

The household goods of J. C. Jackson were nearly all burned, as the family hardly had time to get out. The colored families on Fourth street got out most of their goods.

Several cabins across Campbell street caught on fire but were saved. G. B. Underwood's stable in the same block was considerably damaged. The platform of the L. & N. storage depot, across the railroad from the warehouses, caught

TRAGIC ENDING OF HER LIFE.

Woman Commits Suicide By
Jumping Into a
Well.

MIND WAS AFFECTED!

Her Little Son Discovers the
Body and Gives the
Alarm.

News of the suicide of Mrs. F. M. Knight, of the Rock Bridge neighborhood, this county, was received by the Kentuckian late Wednesday afternoon. She committed the act of self destruction by jumping into a well.

Mrs. Knight had been in bad health for some time and it is thought that her mind had become unbalanced. During the absence of her husband she sent her three smallest children to the garden in care of the oldest child, an eleven-year-old boy, and then going to the back yard, lifted the cover from the well and jumped in. After remaining in the garden about an hour her little son left the other children and returned to the house. He found that his mother had gone and the little fellow began a search for her. Finding the well uncovered, he looked in and saw her body floating on the surface of the water. The boy rang the dinner bell until his father and neighbors arrived, when the body was removed.

Mrs. Knight was about forty years old. She was a daughter of Mr. Thomas Wynn, a well known farmer of that section.

Prior to her recent illness she was a very intelligent woman. The case is a very sad one, as the deceased was connected with the best families of Christian county, and the fact that she left four little children makes it all the more deplorable.

Well Known Young People
Married Near Lafayette.

Mr. Garfield Ledford, a young farmer of near Roaring Spring, and Miss Henry Morefield, daughter of Mr. C. E. Morefield, of the Lafayette neighborhood, were married Wednesday afternoon at 5 o'clock. The young people drove over to the home of the Rev. Israel Joiner, who tied the nuptial knot. They will reside near Roaring Spring.

A BARBACUE

Has Been Suggested for
Home Coming Week.

A representative of this paper accompanied Dr. Jackson, President of the Commercial Club, yesterday as to Hopkinsville opening her doors to the many former citizens who are to be again on their native soil during Kentucky's great Home Coming week.

Dr. Jackson favors giving the home-comers a great old-fashioned barbecue and have speeches from several prominent men. He said that the old Sharp homestead would be a capital place for the crowd as there is plenty of shade and it is convenient to town. There is also a well of the finest water near the house.

If we are to do anything in the way of welcoming back to their old home those who have cast their lots in other parts of the country, it is high time we were getting busy. Dr. Jackson's suggestion is a good one and our citizens should go to work at once and raise what little money will be necessary to extend a warm welcome to the many who will come down from Louisville on their side-trip tickets at the same rate that brought them into the state.

IN THE OLD "BLACK PATCH."

Everything is All Right and
the Planters are Re-
warded.

No Tobacco To Be Sold At
Public Auction As
Yet.

The dark Tobacco Planters are now enjoying the reward of loyalty justly due them. Nothing but months of careful deliberation on the part of the Executive Committee and the unflinching determination of 12,000 planters could have accomplished the wonders of the past two years.

When we think of the immense amount of work necessary to the organization of the territory now under control, the enormity of the work grows upon you.

To maintain this organization means communication with representatives from twenty-two counties; it means to be in touch with District Chairmen numbering over 200, the assigning of duties to Prizes, Supervisors, Salesmen, Inspectors and Graders, in all this work a force has been present, that appeals to the sense of honor, of a vast number of men, displaying the same traits of character and endurance, true to the history of our people when oppressed.

Last year it took some time to get our affairs adjusted to existing circumstances, but having profited by past experiences, we are now, able to meet our opponents with a feeling of well-established, business principles, and our friends with words of encouragement and a sense of security in our position.

This position we occupy today, through the untiring efforts of one man, supported by a magnificent body of committeemen and officers, who have given their time, thought and best efforts to the betterment of their fellow men. Mr. Ewing's absence is a source of great annoyance to him, but he is in daily communication with his committee and co-workers, and is watching very carefully the details of the work. Every man, woman and child of the "Black Patch" feels a deep interest in Mr. Ewing's welfare and awaits eagerly his return to his people.

CARD FROM MR. EWING.

So many people have asked me the question as to whether we would sell tobacco at auction or not, that I deem it the easiest method of notifying the public. By publishing a card to the effect that we positively will not sell the tobacco at "auction," Tobacco is selling rapidly under present conditions, the planters are all satisfied with both the price and the quickness with which they are paid their money.

We now have two authorized houses in Clarksville, W. H. Carsey & Co., having signed our contract, and are in line with our work.

With two such houses as Smith & Williams and W. H. Carsey & Co., we are amply able to care for all our tobacco going to Clarksville, and note that the tobacco is going to the authorized houses.

F. G. EWING, Gen. Manager.

PROGRAMS PREPARED.

Will Also Hold Services at
Jewish Cemetery in the
Morning.

The members of Green River lodge No. 54, I. O. O. F., will hold a memorial service to-morrow. It is an annual custom with the order throughout the United States to hold these services but this is the first time the local lodge has ever observed the custom.

At 10:30 a. m. a service will be held at the Jewish cemetery, in the Eastern part of the city. We were unable to get the program in time for publication, but are told that a splendid one has been arranged for that service. Several persons who were members of the order are buried there, among whom are Louis Elb, the father of Mr. M. L. Elb; John Moayon, father of Mrs. Elb and Max J. Moayon, and Louis Solomon and others.

The committee on arrangements is composed of G. H. Champlin, chairman; L. W. Guthrie, W. H. Lee, T. E. Callard, F. M. Merriam and Geo. E. Randle.

The music committee is composed of W. B. Lewis, chairman; John W. Twyman and W. L. Witty.

A memorial service will be held at Hopewell Cemetery, beginning at 3:00 p. m. The members of the order will form at their building on Ninth street and march to the cemetery. Lebeucher's band will head the procession and will play a funeral dirge. As will be seen from the program for this occasion, nothing but sacred music will be rendered, not even the tap of the drum will be heard to mar the solemnity of the occasion or the sacredness of the day.

It is expected that a number of visiting Odd Fellows will be here from Clarksville, Madisonville, Earlinton and Princeton.

Following is the program for the services at Hopewell Cemetery:
Overture, Band—Sacred Melody.
Opening Ode—Odd Fellows' lodge.
Prayer—Rev. J. M. Ransake.
Music—"Blest Be the Tie that Binds."

Address—"Odd Fellowship"—Mr. R. A. Gardner, Clarksville, Tenn.

Music—"Nearer My God to Thee."
Decoration of graves, music by band.

Music—"Beautiful Isle."
Address—"Odd Fellows that Have Gone Before"—Mr. John Stites.

Music—"Shall We Gather at the River?"
Decoration of graves, music by band.

Recitation—Miss Leaurette Merriam.

Music—Glory Song.

Address—"Widows and Orphans' Home"—Mr. L. H. Davis.

Music—"God Be With You."
Benediction—Rev. J. M. Ransake.

fire company fought the flames with this hose.

The storage room of the ice factory resisted the heat so well that several tons of ice were taken out yesterday and used to supply the demand. The new mill is now running and the taking out of ice will begin about Monday. There will be no inconvenience from an ice famine.

Councilman J. M. Clark was knocked from a porch by a stream of water, while helping the fire company and sustained a painful bruise.

Port Wright was struck by a jet of steam from the switch engine and his face painfully scalded.

Assistant Fire Chief E. P. Fears and Fireman Will Hester also sustained slight burns and Fireman J. D. Thompson was prostrated from heat.

FAMOUS ORATOR

To Lecture Tuesday Night,
June 12, at the Union
Tabernacle.

Prof. Wm. Lee Popham, one of the world's most famous orators, will deliver his popular lecture entitled "This, That and The Other, One Thing and Another," Tuesday night, June 12, at 8 o'clock at the Union Tabernacle.

This lecture will be given for the benefit of the Temperance Christian Aid Association of which the lecturer is President.

He bears the reputation of making people laugh and cry throughout his lecture at his will, and at all times holds his audience under the sway of his eloquence.

Mr. Popham is not only an orator, lecturer, poet, eloquentist and impersonator, but is the author of many books, the sentiments of which have won for him the love and confidence of the American people.

Wm. Lee Popham is author of that famous book, "The Road to Success" also is author of the following great lectures in booklet form: "Mother, Home and Heaven," "Ambition, Love and Tattlers," "Eloquence, Wit and Humor," "Character for Young People," "Sunbeams of Cheerfulness," or "The Bright Side of Life."

It is the desire to charge no admission to hear this lecture, but in order to defray expenses a collection of 5 cents will be required from each person at the door.

Plenty of fresh air is promised in the building, and doors will be open at 7:30 p. m.

License Changes.

The Finance Committee will present an ordinance Friday night revising the license system of the city to conform to the new revenue law which goes into effect Monday. Many changes of business not heretofore licensed will be required to pay.

The Athenaeum.

The Athenaeum met last night at Hotel Latham, in the last meeting before summer vacation. Prof. H. Clay Smith had the only paper, on "Esperanto."

W. J. Bryan will return from abroad early in September to find that many State conventions have already declared for him for President in 1908.

The Old Reliable Jewelry House

of Hopkinsville is, after all, the best place to get anything in the jewelry line. There's a record behind us, a record of over thirty years; a clean record of satisfied customers, a record of honest dealing, for honest quality, honest prices. It's a record any Jeweler might feel proud of. And when we sell an article we have in mind that we have a record to maintain, and no slipshod methods, no careless workmanship, no lack of quality, is ever allowed to mar the record of the past. But to improve, if possible, this record, is ever our aim, and goods are sold for as low a price as it is possible to sell reliable goods.

It will pay you in the end to deal with the Old Reliable Jeweler.

New York Life.

Hopkinsville, Ky., April 30th, 1906.

Mr. Walter F. Garnett, Agent,

New York Life Insurance Co.,

Dear Sir:—It gives me pleasure to acknowledge receipt of statement of optional settlement on 20-Payment Life Policy, No. 223,593, for \$1,500.00, issued at age 35, with premium of \$52.50, taken out with you Apr. 29, '86. After having been insured for 20 years, I am offered a paid up policy for \$1,500 and a cash dividend of \$406.88, or the total value may be withdrawn in cash—\$1,215.85, (which is more than I have paid in the 20 years) or a fully paid up policy payable at my death for \$2,219.00.

The cash settlement of \$1,215.85 is equal to Term Insurance at \$12.57 per \$1,000 and an investment of the balance of premiums with 4 per cent. compound interest for twenty years. This showing is certainly a creditable one for the New York Life, and I will be pleased to give you my application for \$1,000 on the Ordinary Life plan.

Yours very truly, C. E. WEST.

THE CLOSE OF THE SCHOOLS.

Oratorical Contest of Henry Clay Debating Society
Wednesday Night.

MISS WALL'S SOLO.

Graduating Exercises of Public Schools Enjoyed By Large House.

The open session of the Henry Clay debating society of the Hopkinsville High School, at the Tabernacle last Wednesday night, was thoroughly enjoyed by all present. Unfortunately the exercises were held on general prayer meeting night, which caused the absence of many who would have been glad to have been there. They missed a rare treat, as each participant was thoroughly prepared for his work and eager to show the best that was in him. The stage was handsomely decorated with potted plants and flowers, and presented a scene of rare beauty.

Mr. Herschel Long made an excellent presiding officer and greeted the audience in a most delightful speech. The first oration was delivered by Mr. Frank Dabney on "The Evolution of Government," in which he acquitted himself most admirably and exhibited deep and profound thought. He was followed by Mr. Raymond Tichnor, who spoke of "Pericles" in a most effective manner, and won the high esteem of his hearers.

The audience was delighted with a solo by Miss Rowena Wall, one of the sweetest singers of our city. She has a remarkably clear and musical voice, which has been greatly improved by two years' study under masters of vocalism in New York.

The debate was the event of the evening, in which, for the affirmative, Messrs. James Nourse, Thomas Smith and James Breathitt took part, while the negative was represented by Messrs. Lawson Faxon, Leslie Henderson and Thomas Earle. All the young men "covered themselves with glory," but the committee, after deciding that the negative side of the question discussed—"Whether there should be a law restricting the manufacture and sale of proprietary medicines"—had been better argued, presented the gold medal offered by the school board to Mr. Lawson Faxon.

Graduating Exercises.

The Tabernacle was well filled Thursday night to witness the graduating exercises of the High School. The Superintendent of the City Public Schools, Mr. Barksdale Hamlett, presided, and showed himself fully equal to the occasion. Though he has had charge of our schools but one year, he has manifested his eminent fitness for the position, being thoroughly acquainted with every department of his work, industrious and ambitious to attain the highest position in his profession, and a man of great executive ability. His address to our people was full of deep thought and showed conclusively that Prof. Hamlett's greatest wish is for the highest development of our youth and the application of every means possible for the more thorough instruction of all young people in the schools.

The graduates are the following young ladies and boys who have completed the 12-year course:

Misses Hazel Everett, Bertha Turner, Katie Macrae, Kathleen White, Eunice Mayes, Emily Kelly, Messrs. Frank Dabney, Page Blake more, Herschel Long, Driscoll McGowan, James Nourse, Leslie Henderson, Stanley Bassett.

The Honor Pupils.

The honors of the class were in the following order: 1st, Katie Macrae; 2d, Emily Kelly; 3d, Leslie Henderson; 4th, Herschel Long; 5th, Bertha Turner; 6th, Frank Dabney; 7th, Stanley Bassett. They are entitled to choose the following scholarships in the order named, 1st to 7th choice. One each Bethel Female, South Kentucky, Oxford (O.), Washington and Washington and Lee Colleges and two Kentucky State College.

HAS FORTY CREDITORS.

Frank Martin Files Petition in Bankruptcy.

Frank Martin, of Hopkinsville, a plumber and tinner, filed a petition in bankruptcy with United States Court Clerk Lindsey. Martin has forty creditors with an aggregate debt of \$1,600, ranging from \$232 due Laib & Co., Louisville, to \$1.50 due a Hopkinsville firm. His assets amount to \$587.50, of which amount he claims \$307.50 as exempt.

Thirty-one of the forty obligations from which Martin seeks relief are due by the firm of Martin & Libby. Libby filed a petition asking relief from his part of the obligations a few weeks ago.

John Stites, of Hopkinsville, has been appointed trustee in bankruptcy for Lemuel H. McKee, of Hopkinsville.—Owensboro Messenger.

A HEALTHY CITY.

But One Grave Dug in Hopewell During May.

Doubtless May was the healthiest month ever known. There were very few deaths in the county and only one grave, we learn, was dug in Hopewell cemetery, and—that was for the remains of Mr. H. M. Dalton, who accidentally killed himself. Can another city in the state, of our population show such a record?

The death-rate among the colored people was very heavy. One colored undertaker said yesterday that he buried about 21 colored people during the month. He buried seven last week, which was a good start for the month. Not a single white death in a city of 10,000 people in a month having 31 days is certainly remarkable, and is not encouraging for physicians. If you want health and prosperity come to Hopkinsville.

GROUND BROKEN

For the Parish House of Grace Church.

Ground was broken for the foundation of the parish house of Grace Episcopal church last Thursday. The building will front on 6th street and will adjoin the church building. It will have a frontage of 40 feet and contain S. S. room, parlor, kitchen, etc. The need of this building has been long felt, and when completed it will be a handsome edifice and perfectly adapted to the wants of the congregation. It was through the gift of Mrs. Glass, of \$6,000, and \$5,000 by Mr. John C. Latham that made it possible for the congregation to carry out its plans cherished for years.

Rubens—Anderson.

Prof. R. B. Rubens, superintendent of the Madisonville graded schools, and Miss Lalla Anderson, daughter of Mr. and Mrs. E. H. Anderson, formerly of this county, were married Tuesday. The wedding occurred at the home of the bride, Rev. S. F. Fowler officiating. The bride is a young woman of much beauty and varied accomplishments and is very popular with every one who has had the pleasure of her acquaintance.

The groom is a prominent young educator.

ANDERSON-FINN.

Quiet Home Wedding In Owensboro Saturday.

Saturday morning an auspicious wedding was solemnized with the quiet simplicity of good taste, when Miss Nora Lee Anderson became the bride of Mr. Clarence M. Finn, says the Owensboro Inquirer. The ceremony took place at the home of the bride's parents, Mr. and Mrs. S. W. Anderson, at 10 o'clock, Rev. T. N. Compton, officiating.

The parlor was artistically decorated in white, pink and green. Palms were massed in the corners, and pink roses and cape jessamine were used in profusion. The young couple entered unaccompanied, to the wedding march from Lohengrin, played by Mrs. A. D. Murphy.

The bride was very lovely in a beautiful costume of white lace made over chiffon and taffeta. She wore no veil and carried a shower bouquet of lilies of the valley and smilax.

Only the relatives and a few intimate friends were present to witness the ceremony, and immediately afterwards sat down to a four-course wedding breakfast. The bride's table was arranged in the dining room and was charmingly decorated in pink and white.

Mr. and Mrs. Finn left on the noon train for a western wedding trip and on their return will be at home at the residence of Mr. and Mrs. S. W. Anderson.
